NUMBER 4

SCHOOL SPENDS WEEK-END AT WATERVILLE VALLEY, N. H.

SNOW TRAIN TAKES 120 BOYS, 20 MASTERS, TO SNOW BELT FOR WINTER SPORTS

A week-end of winter sports was enjoyed by nearly the entire school last week at Waterville Valley, New Hampshire. Leaving Newburyport at 3:30 on Friday afternoon, a special snow train carried 120 boys and eighteen masters into the snow country, arriving at Campton, New Hampshire, at 8:30 P. M. Supper was served on the train. From Campton, the group was transported fourteen miles to the Waterville Inn in a fleet of trucks.

After breakfast the next morning the entire group tried out a variety of sports—skiing, tobogganing, snow-shoeing, and skating, with skiing being the most popular. There was plenty of snow, and a light fall which continued all morning kept the hills and trails in perfect condition.

Two hours of ski instruction was given by Mr. Francois Bertrand, an instructor from Otto Schneider's Ski School.

A group of masters and boys climbed nearby Mount Tecumseh on snow-shoes, with Mr. Jacob, the faculty's ace mountain-climber, setting the pace in the three-hour ascent. Mr. Kirk led a group of tobogganers, and set the record for the fastest run with a team of three other heavy-weights.

During the afternoon, a downhill race against time was held on a fast 1850-yard trail, with Benjamin Joy and Sheldon Harris tying for first place with the time of 27.5 seconds. Mr. Andrew Jones, who will join the faculty next term, made the fastest unofficial time of 25 seconds, while Mr. Barry crossed the finish line horizontally after what many observers considered the most spectacular and unconventional descent of the afternoon.

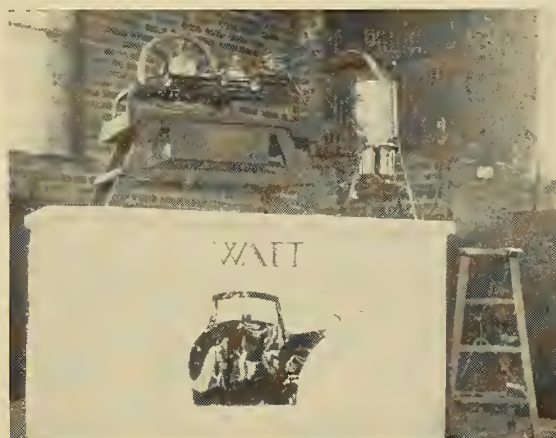

In the evening after dinner, movies were shown of the Boston Bruins demonstrating various phases of the game in the Boston Garden. Mr. Arthur Ross, Sr., loaned the reels, and John Ross gave a running explanation of the pictures as they were shown. An excellent talk was given by Mr. Edward Hunter of Hanover, New Hampshire, father of Ted Hunter who was a member of the Olympic team last year which competed in Germany.

COLORFUL EXPERIMENTS FEATURE SCHOOL'S ANNUAL SCIENCE SHOW

STEAM ENGINE, TESLA COIL, OSCILLOGRAPH, EXPLAINED AND DEMONSTRATED

On March 5th, the members of the science classes gave the third annual Science Show in the Lang Gymnasium. A long laboratory table, which stretched the length of the gymnasium, was covered with white cloth and decorated with the symbols and names of chemists and

Photograph by Richard Bartlett

HORIZONTAL RECIPROCATING ENGINE
2,700 B. T. U.s . . . $\frac{3}{4}$ h. p. . . . efficiency 3.5%

physicists. Acting as a director of experiments, Richard Curtis introduced the students and assisted in describing the various experiments as they were performed.

Charles Fellows demonstrated the properties of liquid air, rendering several edibles vitreous and freezing mercury into a hammer capable of driving nails.

Benjamin Joy gave an account of the history of the development of the steam engine from Hero's engine to the present day. Explaining the principles of the steam engine. John Pettibone demonstrated a horizontal reciprocating engine and small model boiler, equipped for efficiency testing with a gas meter and a Prony brake. The working model of the engine used was bought by Mr. Kirk from a master machine maker who built it over twenty years ago. Pettibone also did an experiment with Knipr's tubes and a heat solution experiment using ammonium nitrate as a solute.

Leonard Ellis demonstrated oxidation in a series of experiments using sodium peroxide

(Continued on Page 2)

THIRD ANNUAL SCIENCE SHOW

(Continued from Page 1)

and pyrophoric lead. Henry Cleaveland worked with chemical precipitates and also showed the effect of atomic rays on photo flash bulbs.

Philip Shackelford showed the incompressibility of water by penetrating a closed can full of water with a rifle bullet, sending a column of the liquid to the ceiling of the gymnasium.

Charles Shackelford used an electrical guitar to show how the various vibrations of musical notes may be shown by light waves on an

Photograph by Gordon Ellis

POOR'S TESLA COIL

The 12-inch Spark Shattered Glass

oscillograph. Accompanied by Donald Kirkpatrick and Philip Shackelford he played the guitar, regulating the volume of sound by means of an amplifier.

Charles Shackelford also drew pictures on chemically treated cloth with an electrified stylus.

The most spectacular experiment of the evening was made by Leonard Poor with a large Tesla coil. The coil itself was constructed in the physics laboratory and was the result of several weeks' exacting work.

By means of transformers, 110 volts was stepped up to 500,000 volts, and frequency was increased from 60 cycles per second to about 2,000,000 by a spark discharge and condenser. At this stage the electricity could be harmlessly passed over the body of the operator instead of through it, and Poor led off sparks from the Tesla secondary coil which were over twelve inches long. Glass, usually a good insulator, was easily punctured; wood, paper, and gas were ignited. Various colored light effects were made by the discharge through tubes containing rare gases.

ANDOVER, BROOKS, MILTON MEN SPEAK AT VESPER SERVICES

Speaking at Vespers on February 14th, Mr. Scott Paradise of Phillips Academy made a strong plea for more and harder work in school by contrasting the student's routine at Andover two generations ago with school life today.

Mr. John C. Fuess of the Brooks School spoke on February 21st. Preparation in all phases of life, said Mr. Fuess, is the major end of all of man's efforts.

The regular Vesper service on February 28th was composed entirely of music. Mrs. Benjamin Stone played a group of three piano compositions, *Prelude in G Minor*, by Rachmaninoff; *Intermezzo*, and *Rhapsodie* by Brahms.

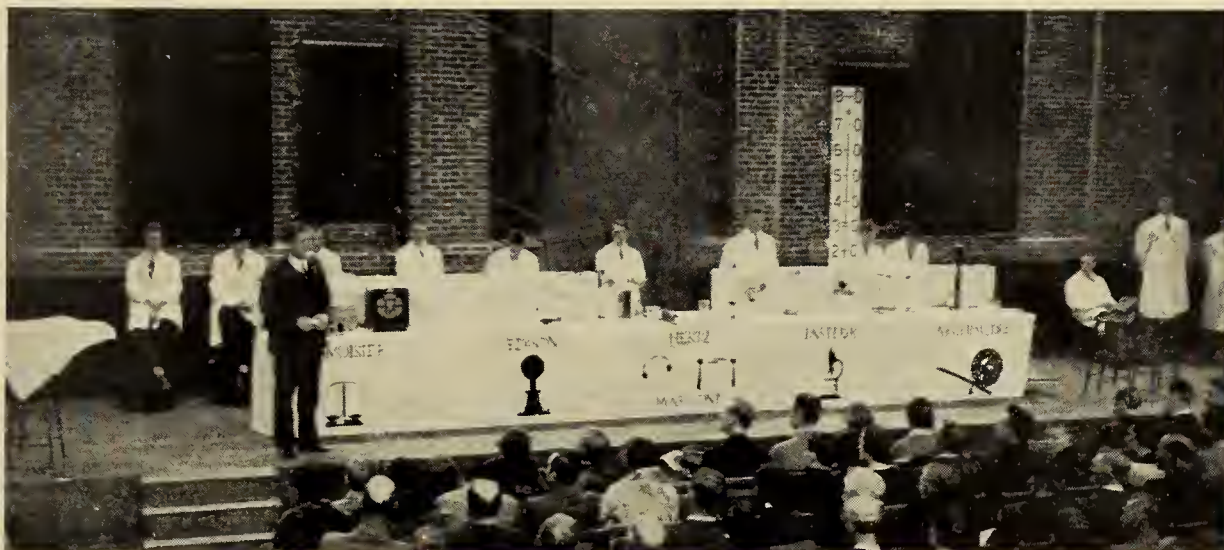

The Reverend Leslie T. Pennington, minister of the First Church Unitarian in Cambridge, spoke to the school on March 7th. Mr. Pennington spoke of style, or the correct way of doing things, as the ultimate morality behind men's actions. To have style one must have a mastery of rhythm, persuasion, co-operation, and technique.

At the Vespers service on March 15th, Mr. Arthur B. Perry, Principal of the Boys' School in Milton Academy was the speaker. Mr. Perry spoke of the dangers of taking things for granted. He emphasized the fact that many of the students on Deans' lists in the colleges are boys from small high schools, and he suggested that boys from private schools often develop superiority complexes and consequently do not show the achievement in their college work of which they are capable.

EXHIBITION BY STAMP CLUB ON DISPLAY IN LIBRARY

An exhibition of postage stamps, arranged by the Stamp Club, is on display in the Library. Recent United States issues predominate with selections from the collections of John Dunlap and David Hartfield. Woodbury Smith has an interesting collection of stock transfer stamps. First flight airplane covers are shown by David Hunter.

The exhibition is a preliminary one to a larger display which the Stamp Club plans to make in the spring term.

GLEE CLUB GROUP ENTERTAINED
AT HOUSE IN THE PINES SCHOOL

On February 20th, the Glee Club made its season's debut at the House in the Pines School at Norton, Massachusetts. The Club sang one group of numbers, and then was entertained by a one-act play given by the girls of the school. They then sang another set of selections, and this was followed by group singing.

The concert was followed by a dance and supper which were enjoyed by all the boys and by the masters and their wives who attended.

GLEE CLUB OPENS SEASON
WITH CONCERT AT DOVER, N. H.

The Glee Club gave its first formal program of the season at Dover, New Hampshire, on February 26th, at a concert sponsored by the Dover Woman's Club. The Club immediately won the audience with its first group of songs containing Bach's *My Chosen King* and an *Ave Maria* by Arcadelt.

Putnam Flint duplicated his success of last year with his solo in Sullivan's *Henceforth Strephon*, and Joseph Hoague, singing a solo part for the first time, gave a straight-forward, sympathetic interpretation of the spiritual *Go Down Moses* which was a high light of the concert.

The Club was assisted by Mrs. Benjamin Stone who played a group of three piano compositions, and Mr. Robert Iglehart of the faculty who sang two songs.

The Club, under Mr. Arthur Sager's direction, set a new high standard for the beginning of a long concert season, and promises to eclipse the successes of former years. The program was as follows:

My Chosen	Bach, 1685-1750
Ave Maria	Arcadelt, 1514-1575
My Bonny Lass	Morley, 1557-1603

THE GLEE CLUB

ANOTHER TEACHER TO JOIN FACULTY FOR SPRING TERM

Because of the serious illness of his father, Mr. Bradford M. Bentley will be unable to return to Governor Dummer next term. Mr. Bentley, who has taught United States History and Civics this year, will take over immediately many of the duties of his father, Mr. Walter H. Bentley, who for many years has been the Director of Camp Wyanoke at Wolfeboro, New Hampshire.

Mr. Daniel O. S. Jennings of Scarsdale, New York, who has recently joined the faculty, will take over Mr. Bentley's duties next term. Mr. Jennings graduated with honor from Wesleyan University in the Class of 1936. He played varsity football for Wesleyan for two years, was a member of the Dramatic Club, and served on the staff of *Olla Podrida*, the Wesleyan yearbook.

GUESTS SEE NEW BUILDING, AS GLEE CLUB ENTERTAINS

A reception and tea was held by Headmaster and Mrs. Eames in the new dining hall on Sunday afternoon, February 20th. Over two hundred friends of the school, from Newburyport and the vicinity attended. This was the first time that many of the visitors had inspected the new dining hall and kitchens, and members of the faculty, assisted by Mr. Joseph Snyder, Household Director, showed the building and its equipment to nearly all of the guests in the course of the afternoon.

Among the guests were Mr. and Mrs. Galen Perrett of Rockport. An exhibit of Mr. Perrett's oil paintings of the sea, which was on display in the dining hall, attracted unusual attention and received enthusiastic praise from the guests. One of Mr. Perrett's pictures is reproduced in this issue of *THE ARCHON*.

Singing at school for the first time this year, the Glee Club gave two groups of songs which were enthusiastically received by the audience.

GLASS AND INSTRUMENT MAKERS LECTURE TO SCIENCE CLASSES

On Sunday afternoon, February 21st, Mr. Roland Feiber of the Feiber Instrument Co., Cambridge, Mass., gave a demonstration in the Noyes Library. He gave a very interesting talk on meteorology and demonstrated the Harvard Radio-Meteorograph which was developed at Blue Hill Observatory.

Sunday afternoon February 28th, in the Noyes Library, Mr. Joseph Rossette gave a demonstration of laboratory glass blowing to the members of the science classes. This is the first of several visits that Mr. Rossette is making to the school. During the spring term he plans to instruct those boys who are interested in glass blowing in some of the finer aspects of the art.

SCHOOL GLEE CLUB BROADCASTS PROGRAM FROM STATION WAAB

Last night the Glee Club sang a program of seven songs at the Hotel Buckminster, Boston, in a radio broadcast over Station WAAB, from 8:00 to 8:30 p. m. It was the first time that most of the members of the Club had sung for an unseen audience, and the experience was an exciting one.

The members of the Club traveled to Boston by bus and had dinner at the Hotel Somerset. At the dinner glee club charms were presented to Mr. Arthur Sager, Director of the Club, and to Mr. Benjamin Stone, accompanist, and Mrs. Stone received flowers in appreciation of her work with the Club this year.

WINTER SPORTS WEEK-END

(Continued from Page 1)

Mr. Hunter gave a graphic account of the Winter Olympics at Garmisch which he attended. He emphasized the fine impression made by the young Americans who competed. While American skiers are still in the novice class when lined up in European competition, Mr. Hunter feels that American colleges, led by Dartmouth, are rapidly improving our ski technique. Already Americans are becoming expert in the slalom and in downhill racing. It is only a question of time and practice before Americans will arrive at the top in other phases of the sport.

Many of the boys were out on the trails before breakfast on Sunday morning, and skiing continued actively all morning until it was necessary to leave to board the special train at Campton at noon.

A SEASCAPE BY GALEN PERRETT OF ROCKPORT

Mr. Perrett's Collection of Marine Paintings Has Proved One of the Most Popular Exhibits Ever Shown at Governor Dummer

More Briefly

Professor C. Scott Porter, Dean of Amherst College, and Mr. Richard MacMeekin of the Administrative office at Amherst, visited the evening meeting, March 3. During the evening study-hall, Professor Porter and Mr. MacMeekin interviewed prospective candidates for Amherst next year.

* * *

Professor Charles R. Keller, Dean of Admissions at Williams College, visited the school on March 15th and attended the school meeting. During the evening Dean Keller talked with the large group of boys who are interested in attending Williams next year.

* * *

On Sunday afternoon, March 7th, Mr. Ernest Steele, the brother of Rollin Steele, gave an illustrated talk on his recent trip through Europe. Some of his most interesting pictures were taken from the dirigible *Hindenberg*, on which he came back to America.

* * *

The Town of Newbury held its annual town meeting in the Lang Gymnasium on March 16th. In order to stimulate interest in civic

affairs among the students, arrangements were made so that boys who wished to attend might do so during part of the evening study hall.

* * *

The school has recently received a gift of several wrestling mats from James Deupree and his mother, Mrs. Richard R. Deupree of Madisonville, Ohio. The mats are used to increase the size of the main mat and also to serve as padding along the walls of the wrestling room.

* * *

On March 1st the Glee Club was entertained by the Haverhill Music Club and took part in a concert which was held in the Universalist Church in Haverhill. Miss Nellie Zimmer, harpist, played in the concert.

SPRING VACATION DATES

Spring vacation, which begins today at 11:25 A. M., will end on April 8th. Boys must be back for supper at 6:30 P. M.

Regular classes will be held on the following Saturday, April 10th.

EDITORIAL

Governor Dummer has always had the reputation of providing any sport that might be desired by the boys. This fall, soccer was started as an organized sport largely because of the interest of the boys, and almost every recently inaugurated sport was started because of this interest.

There has been a movement afoot of late to form a lacrosse squad, and to organize this game as a regular Spring sport. During the past few years, baseball has occupied the lime-light of the school as a major Spring activity, and a large enthusiastic group of boys and masters has expressed the desire to play lacrosse. This sport has become increasingly popular among the Eastern preparatory schools, and Governor Dummer has never been far behind her rivals either in producing equally as good teams, or, in many cases, in surpassing them.

To date, a group of around twenty-five boys have signed up as candidates for the team, and in all probability, within the next few years, lacrosse will take its place alongside of baseball and track as a major Spring sport.

H. F. C.

Alumni Notes

Edward Flint, '33, has been elected to membership in the Tau Beta Pi Society, an honorary engineering fraternity, at Tufts Engineering College.

* * *

On March 9th Mr. Eames, Mr. Jacob, and three boys journeyed to Brunswick, Maine, to attend a meeting of the Governor Dummer Club at Bowdoin College. Vasmer Flint, '34, was elected President of the Club and William Broe, '34, became Secretary, for the coming year. The boys who made the trip from school were Allan Woodcock, Dana Jones, and Frank Collins.

* * *

Richard Segler, '34, and his fiancée, Miss Florence Skillings of Portland, Maine, visited the school on March 4th.

* * *

Harry Churchill, '33, and Marshall Sargent, '33, joined the school at Waterville Valley Inn on Saturday, March 13th and spent the night.

EMILY M. MORGAN

Miss Emily M. Morgan of Hartford and Boston died on February 28, 1937. For many years Miss Morgan has been a neighbor and friend of Governor Dummer Academy, and she was closely connected with Adelynrood which is located near the school.

In 1884 Miss Morgan founded the Society of the Companions of the Holy Cross, a religious organization of the Episcopal Church, at the request of an invalid friend, Miss Adelyn Howard of Hartford, Connecticut. A piece of property which had belonged to Captain George W. Knight, Mrs. Carrie Ambrose's father, was purchased by Miss Morgan, and here was built Adelynrood, named in honor of Miss Howard. Adelynrood serves as a summer retreat for the members of the Society.

Before Adelynrood was built, the Society held its summer conferences in the buildings of the Academy, using the original Moody House, later destroyed by fire, as a dormitory.

Miss Morgan dedicated the Chapel at Adelynrood to Judge Byfield, one of her ancestors who gave his name to the village. For several years the Chapel has been used by Governor Dummer for the Baccalaureate Service which is held each June at Commencement time, this privilege being granted to the school through the kindness of the officers of the Society.

WINTER SPORTS SCHEDULES COMPLETED

GOVERNORS WIN BY CLOSE SCORE OVER MILTON ACADEMY FIVE

Playing at Milton Academy on February 10th, Governor Dummer won a close basketball game by a 29 to 26 score. Neither team was playing in top form, with the Governors starting slowly and having difficulty in finding the range.

The Governors were behind at half time, trailing Milton by five points. The team entered the second half with new life and scored two quick baskets. It was only in the last three minutes of play that the Governors were able to gain a lead, with Mike Lawler sinking two baskets.

Joe Hoague led the scoring for the day, chalking up ten points. Ed Donnelly and Mike Lawler played particularly well defensively, and Mike Lawler showed lots of drive in the last period.

MOSES BROWN'S WRESTLERS TOO STRONG FOR GOVERNORS

On February 27th the school wrestling team lost a hard fought meet with Moses Brown in the Lang Gymnasium. In the 126-pound class, Ted Bergmann lost a close overtime match to Hocking. Both Dick Schanzle and Bob Olander won their matches with falls.

126-pound class—Weisker, (MB) threw Podmaniszky.
126-pound class—Hocking, (MB) won from Bergmann, overtime.
135-pound class—Schanzle, (GD) threw Allen.
145-pound class—Richardson, (MB) threw Hastings.
165-pound class—Bohara, (MB) won from Field on time decision.
175-pound class—Olander, (GD) threw Wakeman.

WINTER SPORTS LETTERS AWARDED

At a special school meeting on Wednesday afternoon, March 17th, letters were awarded by the various coaches to the members of the winter sports teams. Major letters were awarded to the school hockey and basketball teams, second team letters were awarded in basketball, and the track and ski teams received minor letters.

GOVERNORS BATTLE TO TIE WITH DEERFELDIANS ON GARDEN ICE

The Governor Dummer hockey team battled to a scoreless tie with Deerfield Academy in the Boston Garden on March 2d. The Governors showed pressing offensive attack all through the game, but were unsuccessful in sinking a goal.

The defensive play shown by both teams was very strong. Dick Curtis, John Ross, and Art Ross did a fine job of keeping the puck away from the danger zone.

ACADEMY TRACK TEAM WINS OVER BROWNE AND NICHOLS

The Governor Dummer track team ended its winter season on March 11th with a decisive 44 to 19 victory over Browne and Nichols School at Cambridge. The meet began when Jack Foster sprinted to win the dash with Ed Murphy taking third. The 1000 yard run added eight points to the Governors' score, Ed Brush and Jack Bell taking first and second places respectively. Captain Chan Fuller scored eight points by winning the 300 yard dash and placing second in the hurdles. Joe Hoague was brilliant in winning the shot put and tying for first in the high jump. Phil Shackelford, scoring a second place in the shot put, Stan James and Dave Huggins tying for first in the high jump, together with John Pettibone in the 600, and John Donaldson's third place in the 300 yard run, added to our total. Randy Barrett's fine sportmanship in assisting the scoring in the 600 was a feature of the meet.

40 yard dash: Won by Foster (GD), Sheline second
40 yard dash: Won by Foster (GD), Sheline (BN) second, Murphy (GD) third. 4.6 s.

1000 yard run: Won by Brush (GD), Bell (GD) second, Whitmore (BN) third. 2 m. 42.6 s.

45 yard low hurdles: Won by Sheline (BN), Fuller (GD) second, Kincaid (BN) third. 6.6 s.

High jump: Triple tie, Huggins (GD), James (GD), Hoague (GD). 5 ft. 4 in.

Shot put: Won by Hoague (GD), Shackelford, P. (GD) second, Dana (BN) third. 45 ft.

600 yard run: Won by Woodman (BN), Pettibone (GD) second, Brush (GD) third. 1 m. 28.4 s.

300 yard run: Won by Fuller (GD), Ellis (BN) second, Donaldson (GD) third. 36.4 s.

HUNTINGTON FIVE LOSES TO GOVERNORS AS LAWLER STARS

The Huntington School basketball team was conquered by the Governors, 30 to 17, in the Lang Gymnasium on Saturday evening, February 13th. Although the scores were not high, the game was fast and somewhat rough, with lots of spectacular shooting, especially by Mike Lawler.

The home team had the lead during the greater part of the game, scoring nineteen points to the opponents' five in the fast first period.

Huntington picked up in the second half, but the lead held by the red and white was a little too large to be overcome. Mike Lawler and Captain Ed Donnelly led the offensive for the Governors.

SIX ROMPS IN BOSTON GARDEN TO DOWN THAYER ACADEMY, 7-1

Playing in the Boston Garden for the second time this season, the hockey team swamped Thayer Academy on February 23d with a 7 to 1 score. The Governors scored three times in the first period and twice in each of the others. Thayer made its single tally near the end of the game.

The first score was made by Len Poor on an assist from Bob Cox, and Roger Conant sank the second goal assisted by Poor. Cox made the third score of the period unassisted.

In the second period, Curtis scored, and the Conant-Poor combination again broke through Thayer for a goal. Conant tallied again in the last period, and John Ross ended the Governor's scoring spree on an assist from Phil Lees.

PHILLIPS EXETER FIVE WINS OVER GOVERNORS AT EXETER

Invading Exeter on Wednesday, February 17th, the basketball team lost a one-sided game to Phillips Exeter, 58 to 21. The Governors played a courageous game in the face of a powerful opponent.

Ed Donnelly led the scoring for Governor Dummer, and did a fine job of checking Exeter's sharp-shooting captain, Jim Bennett.

The opponents' combination play was repeatedly broken up by Russ Simons, who seemed to be all over the court, particularly in the second half. He intercepted many passes which might have resulted in baskets.

WRESTLERS DROP EXCITING MEET TO ANDOVER SECONDS

The Andover reserve wrestling team defeated Governor Dummer 27 to 8 on February 13. Captain Ed Hastings and John Barrows, in the 145-pound class were the only Governors to win their matches.

WRESTLERS SHOW STRENGTH IN WINNING LAST MEET OF SEASON

Governor Dummer won its final wrestling match of the season on March 6th, defeating Essex Agricultural School, 18 to 11. Captain Ed Hastings and Bob Olander won their bouts with quick falls. Dick Schanzle won a nip-and-tuck contest from Lee. Podmaniczky showed fine spirit against Nimmo of Essex, but succumbed to his more experienced opponent. Barrows showed great strength in pinning Marshall in 1:35 m.

126-pound class—Nimmo, (E) threw Podmaniczky, in 2:20 m.

126-pound class—Nimmo, (E) won from Bergmann, by referee's decision.

135-pound class—Schanzle, (GD) threw Lee, in 6:30 m.

135-pound class—Nicholson, (E) won from Bixby, by referee's decision.

145-pound class—Hastings, (GD) threw Craven, in 1:35 m.

155-pound class—Barrows, (GD) threw Marshall, in 1:35 m.

175-pound class—Olander, (GD) threw Dederian, in 1:20 m.

GOVERNORS DEFEAT TABOR WITH LAST PERIOD ATTACK

On March 6th Governor Dummer played the first of a series of annual basketball games with Tabor Academy, which has for several years been a football rival. The game, one of the fastest and most exciting of the season, resulted in a win for the Governors, the final score being 40 to 36.

With Callanan leading the attack in the first half, the Governors ran up a 22 to 12 lead by half time, Callanan scoring eight points and Captain Donnelly nine.

Tabor came back strongly in the third period, cutting the Governors' lead to one point. Monroe, playing left forward for Tabor, was the inspiration for the opponents' flashing come-back. Scoring only six points in the period, Governor Dummer's lead stood at 28 to 25.

Going into the last quarter, Ed Donnelly set a fast pace for his teammates, scoring nine of the team's twelve points. Joe Hoague, who played a fine, steady game throughout, sank the other three points.

BASKETBALL TEAM DOWNS BABSON: FRANCIS, '36, STARS FOR LOSERS

A fast basketball game on Saturday, February 27th, found the Governors back in the winning column with a victory over Babson

Photograph by Gordon Ellis
GOVERNORS VS. BABSON INSTITUTE
Francis, '36, Jumps High for Babson

Institute to the tune of 40 to 34. The team played an even finer brand of basketball than is indicated by the score.

Dick Francis, who graduated from Governor Dummer last year and who played first string for the Governors, was an outstanding player for the Babson team.

The game started off at a quick pace, with Joe Hoague and Charlie Callanan leading the team in setting up a 28 to 9 advantage at half time. The Governors slackened a bit in the second half, and this would have resulted in danger if the opponents had had a little more luck with their shots.

In the last quarter the team again hit its stride, and stopped a strong Babson attack led by Dick Francis.

Russ Simons and Ed Donnelly were effective on the offense, and Clark Neily was strong defensively.

TRACK TEAM RUNS IN GARDEN MEET

Opening its winter season, the track team ran in the Eastern Seaboard Interscholastic meet in the Boston Garden on February 6th. Captain Chan Fuller ran a beautiful race in the one lap relay, with John Donaldson, Dave Huggins, and Jack Foster for teammates. Victories in two races gave the Governors a fourth place in the meet.

HOCKEY TEAM SCORES EASILY TO BEAT BROOKS SCHOOL, 5-0

Playing at North Andover on February 18th, Governor Dummer defeated Brooks School 5 to 0 in hockey. The first score came in the opening period when John Ross shot from the center zone. The next quarter saw Len Poor score another goal after picking up a rebound from the stick of Roger Conant. Dick Curtis scored in the final period, and Len Poor sank his second, which was closely followed by one from Phil Lees.

The team performed well and showed it had real power. Art Ross turned in his usual fine game in the goal, making several difficult saves.

Alternates for Governor Dummer: Bean, Lees, G. Ellis, Cox, Pierce.

HOOPSTERS LOSE CLOSE ONE TO PHILLIPS ANDOVER FIVE

Governor Dummer lost in basketball to Phillips Academy at Andover on February 24th. The score was 37 to 23, with Andover leading throughout the game.

Andover got off to a quick start and established a comfortable lead before the Governors were able to get under way, and at the half the home team was ahead by 30 to 11.

At the opening of the second half, however, the red and white came back with an amazing punch as Mike Lawler led the offense. Good defensive play was shown throughout the rest of the game, with Captain Donnelly and Charlie Callanan breaking up many of the opponents' scoring threats.

GOVERNORS BASKETEERS LOSE TO SALEM TEACHERS IN FINAL

Playing their final game of the season, Governor Dummer's basketeers lost to Salem Teachers' College on March 10th by a 38 to 36 score. As in many of their previous games, the Governors got off to an early lead. An 8 to 6 advantage at the end of the first quarter was increased to 20 to 14 at half time, but the visitors were only one point behind at the end of the third quarter, 28 to 27.

In the final quarter it was anybody's ball game, and Salem put on enough power to hold a two-point lead during the last minutes of the game.

Joe Hoague was out in front for the Governors, scoring thirteen points. Except for a few spots of ragged passing the whole team played a strong, aggressive game throughout.

AMESBURY TAKES RESERVES, 36 - 23

The Amesbury Boys' Club basketball team outlasted the Governors second five in a game played in the Lang Gymnasium on February 24th, 36 to 23. The game was fairly close until the last quarter, when the visiting club began to get the range of the basket and to sink them from all angles. Charlie Somerby with ten points and Brooks Merritt with nine were high scorers for the losers.

BASKETBALL RESERVES LOSE

Andover's Junior Varsity basketball team defeated the Governors' second team 24 to 14 in a return game played in the Lang Gymnasium on February 27th. The score at the end of the first quarter was 1 to 0, but Andover forged ahead in the next period and never was behind from then on.
